

Ecology response for DC/26/101543 Cockpit Farm Barn, Knowle Lane, Horton Heath, Eastleigh, SO50 7DZ

Application for Discharge of Conditions 8 and 9 (Drainage Strategy and Maintenance) of Planning Permission ref. F/23/94713 for: Construction of six (6) dwellings, including landscaping, parking and associated works following demolition and site preparation.

Rebecca Altman

15/6/26

I have reviewed the Drainage Summary (June 2026, parts 1 and 2) and the Drainage Maintenance Report both by Donnager Civil Engineering. These reports satisfy Conditions 8 and 9 and I am satisfied that these conditions can now be discharged.
