For attention of Ms Altman

Dear Sirs

Re: F/26/101495 At MONKS BROOK, 19 HURSLEY ROAD, CHANDLER'S FORD, EASTLEIGH, SO53 2FS

Installation of new external TV on goal post housing

In regard to application F/26/101495, having reviewed the information contained within the application pack, there would be no objection to the proposals from a highway perspective, subject to the condition outlined below being applied.

The proposed TV is to be situated approximately 25.0m to the north of the western vehicle access into the site, on the western boundary of the pub garden. This will ensure that the screen and surrounding structure does not impact on the required visibility splay serving the car park.

Onwards, the screen itself will positioned with its back to the highway, and as such the displayed images will not be visible to parsing motorists and will not cause a distraction.

CONDITION:

TV SCREEN / GOAL POST HOUSING

No part of the TV Screen or its goal post surrounding shall be positioned within the 2.0 x 43.0m visibility splay required for the western vehicle egress of the Monks Brook Public House onto Hursley Road.
