For attention of Ms Morris

Dear Sirs

**Re: A/26/101545 At SOUTHAMPTON INTERNATIONAL AIRPORT,
MITCHELL WAY, EASTLEIGH, SOUTHAMPTON, SO18 2HG**

2.no externally illuminated fascia signs

In regard to application A/26/101545, given the proposed signs are located on a private road, and are not visible from the public highway, there would be no objection to the proposals from an HCC Highway perspective.

However, having reviewed the application, it is noted that the signage does not physically impact on the private road or parking area of the specific unit that it is attached to in terms of movement or visibility.

Additionally, it is noted that the luminance levels are quoted as 600cd/sqm, and as such would not be a dazzle distraction to passing private road users.

Yours faithfully,

Matt Grantham
