

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	NC/26/101505					
Surveyor	IF					
Address	School Road and Bursledon Cemetery, Bursledon					
Proposed work	1no. Sycamore (T14) - Reduce crown by 4-5m due to squirrel damage and cavity.					
Assessment Date	06/07/2026					
Officer comments	Bursledon Conservation area The wooded area between Church Lane and School Road in Bursledon near the cemetery. The large sycamore on a bank is overhanging the highway, the tree has a cavity at base on the roadside and some signs of lower vitality. The proposed crown reduction is justified as a reasonable management measure. No significant visual amenity loss as surrounded by other larger trees.
