Town and Country Planning Act 1990
The Town and Country Planning (Development Management Procedure) (England)
Order 2015

Application No. H/26/101165

In pursuance of their powers under the above Act and in accordance with your application received on Monday 18 May 2026 the Council, as Local Planning Authority hereby **Permit** the following :

Description: Ground floor rear extension and attached garage following the demolition of the existing garage with alterations the fenestration.

Site: 14 UPPER NORTHAM ROAD, HEDGE END, SOUTHAMPTON, SO30 4DW

Subject to due compliance with the following conditions:

- 1 The development hereby permitted shall start no later than three years from the date of this decision.

Reason: To comply with Section 91 of the Town and Country Planning Act 1990.

- 2 The development hereby permitted shall be implemented in accordance with the following plans numbered: 26447-E, 26447 P and Location Plan

Reason: For the avoidance of doubt and in the interests of proper planning.

- 3 The materials to be used in the construction of the external surfaces of the development hereby permitted shall match in type, colour and texture those used on the adjoining building.

Reason: To ensure a satisfactory visual relationship between the new development and the existing.

Note to applicant: A precautionary working method must be used to prevent harm to wildlife that could be using this site.

It should include:

All building materials to be stored on hard standing or on pallets, as far as possible from hedgerows, scrub or potential habitat.

The wood pile must be dismantled by hand.

Any excavations must be covered at night or be fitted with a small animal escape ramp.

No fires can be lit on site.

Waste must be stored in a skip and not be allowed to accumulate in piles which could be used by wildlife.

Any chemicals and fuels must be stored carefully and away from potential wildlife habitat.

Any animals found on site should not be handled but be allowed to move away to a place of safety on their own.

Note to applicant: Biodiversity enhancements will be required in accord with Local Plan policy DM 11 and NPPF (December 2024) paragraphs 187d and 192 b. A bat box and a swift nest box may be appropriate for this building.

The Bat Conservation Trust recommends installing a bat brick/box at least 4 m above the ground, away from artificial light sources, sheltered from strong winds and exposed to the sun for part of the day, facing south, south-east or south-west. (<https://www.bats.org.uk/our-work/putting-up-your-box>)

Swift nest boxes are best positioned under the eaves or on walls facing north, northeast or north-west out of direct sunlight, five metres above the ground, with clear adjacent airspace so swifts can access them in a high-speed direct flight. (<https://www.swiftconservation.org/Nestboxes%26Attraction.htm>)

Note to applicant: Please note surface water should not be disposed of into a public foul sewer and must comply with the Hierarchy of H3 of the Building Regulations. For more details, refer to the Drainage and Waste Disposal: Approved Document H on the GOV.UK website.

Any new connections to the public sewerage system will require a New Sewer Connection application (also known as a Section 106) to be submitted and approved by Southern Water.

Due to legislative changes effective from 1st October 2011 regarding the ownership of sewers, it is possible that some previously private sewers, now deemed public, could be crossing the above property and may not be shown on Southern Water records. Therefore, if any additional sewers are discovered during construction, an investigation will be required to determine their condition, the number of properties served, and potential access methods before any further work can proceed on site. If this happens, please call our Customer Service Desk on 0330 303 0119

Note to Applicant: In accordance with paragraph 39 of the National Planning Policy Framework (December 2024), Eastleigh Borough Council takes a positive approach to the handling of development proposals so as to achieve, whenever possible, a positive outcome and to ensure all proposals are dealt with in a timely manner.

Yours faithfully

A handwritten signature in black ink that reads "N Parker".
