## DRAWING SCHEDULE

**34 Barton Road, Eastleigh, Hampshire, SO50 6RN**

**Project reference:** HD00283

**Proposal:** Change of use from a dwellinghouse (Use Class C3) to a six bedroom, six person house in multiple occupation (Use Class C4), with a loft conversion and replacement of the rear extension roof.

**Local planning authority:** Eastleigh Borough Council

**Date:** 30 June 2026

### Drawings Submitted

| Drawing No. | Title                              | Contents                                                                                            |
|-------------|------------------------------------|-----------------------------------------------------------------------------------------------------|
| PL01        | Existing Floor Plans and Roof Plan | Existing layout of each floor and the existing roof plan.                                           |
| PL02        | Existing Elevations and Section    | Existing elevations to each aspect and a cross section.                                             |
| PL03        | Proposed Floor Plans               | Proposed layout of each floor, including the converted loft and HMO room arrangement.               |
| PL04        | Proposed Elevations and Section    | Proposed elevations and a cross section, including the replacement flat roof to the rear extension. |
| PL05        | Block and Location Plans           | Site location plan and block plan showing the property within its surroundings.                     |

All drawings are submitted in support of the application and should be read together. The proposed works are predominantly internal, with external alterations limited to the loft conversion and the replacement of the rear extension roof.
