For attention of Ms Hei-Tung-Hoh

Dear Sirs

**Re: H/26/101498 At HILVENOR, VICTORIA ROAD, NETLEY ABBEY,
SOUTHAMPTON, SO31 5DR**

**Retrospective application for the erection of an outbuilding in front of
the dwelling, front boundary wall and gates, including alterations to
vehicular and pedestrian access**

In regard to application H/26/101498, following on from the previous HCC Highway consultation response dated 20 June 2026, as requested, an updated site drawing has been received which clearly shows the distance of the gates to the back edge of the highway.

The distance shown is 4.95m, and whilst this is below the standard requirement of 6.0m, it is accepted in this specific case given the site specifics where pedestrian flows across the footway are relatively low, so any overhang will have minimal impact, and also the access junction is relatively wide enabling easy movement in and out of the site reducing the impact on the carriageway.

Given this, there would be **no objection** to the proposals from a highway perspective.

Yours faithfully,

Matt Grantham
