The Town and Country Planning Act 1990**

Application No. T/26/101572

In pursuance of their powers under the above Act and in accordance with your application received on Monday 15 June 2026 the Council, as Local Planning Authority hereby
Consent To Tree Works For the following :

Description: 1no. Oak (located in rear garden of no. 9 Kings Road) - Lateral reduction of two overhanging branches of an extending into the garden of 11 Kings Road, pruning them back to the property boundary or to suitable, viable growth points closest to the boundary.
The overhanging sections of the two branches are heavily declining and contain significant deadwood. Small fragments of deadwood frequently fall into the garden area below, presenting a safety hazard. The foliage is restricted entirely to the very tips of the branches, with the lower and mid-sections appearing completely bare. Works are a preventative measure to eliminate the risk of a major structural failure or heavy branches falling into the garden.

Note to applicant: All works hereby consented should be carried out by a suitably qualified and insured tree surgeon. A copy of the decision notice should be given to the Tree Surgeon.

Note to applicant: Deadwood may be removed at any time without an application.

Note to applicant: Please be advised that the Wildlife and Countryside Act 1981 as amended, the Countryside and Rights of Way Act 2000 and the Conservation (Natural Habitats) Regulations 1994 protect ALL wild birds, their nests (whether in use or being built) and eggs and other wild animals including bats and their roosts in or adjacent to trees.

Note to applicant: Please follow current recommended Bio-security measures - Further advice can be found at <https://www.trees.org.uk/News-Blog/News/Biosecurity-in-Arbiculture-and-Urban-Forestry-Po>
