**The Town and Country Planning (Tree Preservation) (England) Regulations 2012
The Town and Country Planning Act 1990**

Application No. T/26/101560

In pursuance of their powers under the above Act and in accordance with your application received on Thursday 11 June 2026 the Council, as Local Planning Authority hereby **Refuse Tree Consent For** the following :

Description:	1no. Scots Pine (T1) - Reduce in height by approx.1.5m at appropriate points, selective reduction of longer laterals by up to 2m at appropriate points. Remove failed limb. This tree has had 2 large limbs fail, the remainder of the tree is more exposed to elements, work intended to lessen chance of failure and maintain tree at reasonable size for location. Low amenity value tree.
Site:	8 THOROLD ROAD, CHANDLER'S FORD, EASTLEIGH, SO53 5BR

For the following reasons:

- 1 REFUSE: 1no. Scots Pine (T1) - Reduce in height by approx.1.5m at appropriate points, selective reduction of longer laterals by up to 2m at appropriate points.
- 2 Reason: The proposed reduction of 1no. Scots Pine (T1) by approx.1.5m in height at appropriate points and selective reduction of longer laterals by up to 2m at appropriate points is considered unjustified and will be of detriment to the health and appearance of the tree. The works would thus result in an adverse impact upon the visual amenity, ecology and wildlife and screening of the surrounding area. More details are available in the Officer Report.

Yours faithfully
