

External Materials Schedule

Application: H/26/101653

Site Address: 24 Maytree Road, Chandler's Ford, Eastleigh, SO53 5RU

Proposed External Materials

Element	Proposed Material
External Cladding	Composite external cladding in a muted pastel green finish (final manufacturer and product reference to be confirmed prior to installation).
Roof Covering	Roof tiles to match the existing dwelling.
Windows	uPVC windows to match the existing dwelling in colour and appearance.
Rainwater Goods	uPVC rainwater goods to match the existing dwelling in colour and profile.

Cladding Colour Reference

The proposed cladding will be a **muted pastel green** with a subtle contemporary appearance, similar to the examples previously provided to the Local Planning Authority.

Final manufacturer and product reference will be selected by the applicant prior to installation to ensure product availability and suitability whilst maintaining the approved colour and appearance.
