For attention of Mr Vallis

Dear Sirs

Re: F/26/101005 At MARINA DRIVE, HAMBLE-LE-RICE

Replacing log retaining wall with timber sleeper wall.

In regard to application F/26/101005, following on from the previous HCC Highway consultation response dated 20 April 2026, a 'Construction Phase Plan' has been submitted by the applicants and subsequently emailed to HCC by the Case Officer (16.07.2026).

This document has been reviewed, and is acceptable with an appropriate level of detail as to how the construction works will be managed in order to have a minimal affect on the surrounding highway network and its users.

As an informative however, applicants are reminded that:

1. Any works undertaken on the highway will need to be undertaken with a S278 agreement in place - <https://www.hants.gov.uk/transport/developers/section-278>
2. The Traffic Management measures outlined (i.e. 3-way traffic signals) will require appropriate licences being in place prior to utilisation - <https://www.hants.gov.uk/transport/licencesandpermits>

Yours faithfully,
