Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The existing use of the land is lawful - it is a dwelling/house. The property is to be extended to the rear elevation in matching materials to the host property. The single-storey rear extension would not extend beyond the rear wall of the original house by more than three metres (permitted development for 'any other house').

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Is the proposed operation or use

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The extension is to be of matching materials to the main house and the use class will not change. The extension is less than 3m extended to the rear and only single storey.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

☐ Yes

☒ No

Interest in the Land

Please state the applicant's interest in the land

- ☒ Owner
- ☐ Lessee
