If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

The rebuild of an existing single storey extension to the property on the existing footprint, to provide a modern and insulated usable utility and WC facility for the property.

Does the proposal consist of, or include, a change of use of the land or building(s)?

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The existing extension has been in place for years without issue or enforcement action, and its use is lawful as part of the existing residential dwellinghouse (Use Class C3). The proposal seeks only to rebuild the existing lawful structure on its exact current footprint and size.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

C3 - Dwellinghouses

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

A Lawful Development Certificate should be granted because the proposal involves the rebuilding of an existing, lawful residential extension on its exact current footprint, and dimensions. The works do not increase the volume, footprint, of the original structure, and the land and building are in lawful use as dwellinghouse.

- ☐ Yes
☒ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

- ☐ Yes
- ☒ No
