

App 3 - 145 Leigh Road

The criteria meets the Hampshire Highways pre-application checklist. Hampshire Highways have confirmed (below) the tree in front of the 145 Leigh Road will not be affected by the cross over.

Hi Georgina,

Thanks for the info/report.

It would appear the utility company did not comply with their own Code of Conduct...

So unfortunately, the damage is already done...

Therefore, a vehicle crossing proposal, like that shown below, will have no (further) impact on tree.

Plate 1: Proposed driveway route.

All the best,
Chris
