

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/26/101457					
Surveyor	IF					
Address	275 WEST END ROAD, WEST END, SOUTHAMPTON, SO18 3BW					
Proposed work	1no. Oak (T1) - Reduce side of oak to original pruning points and suitable branch junctions and blend into existing canopy, to reduce risk of failure. Keeping all cuts to small diameter wounds as possible.					
Assessment Date	13/08/2026					
Officer comments	TPO 328-E (G3) 1no. Beech, 2no. Oak A line of mature trees running at the rear of the properties being visible over the rooftops and vicinity. Photos supplied with the application demonstrate that the oak T1 has been pruned in the past and the proposal is to remove the regrowth back to previous points. These works will not affect the tree's public amenity significantly nor is it likely to cause any detrimental effect on its long-term health and vitality.
