Subject: RE: [F/26/101437] BOTLEY CENTRE, HIGH STREET, BOTLEY, SOUTHAMPTON, SO30 2EA

Good afternoon Rebecca,

Due to the historical use of the site for the same type of operation as that proposed, I am satisfied that a condition restricting the operation to the proposed hours is appropriate. On this basis, I can withdraw my previous requirement for a full noise assessment.

However, should noise complaints be received in connection with the site, a full noise assessment will be required to assess and address any potential noise impacts.

Thank you

Andre
