

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/26/101715					
Surveyor	IF					
Address	30 WESTWOOD GARDENS, CHANDLER'S FORD, EASTLEIGH, SO53 1FN					
Proposed work	1no. Oak - Re-pollard. Pollarding carried out around 5 years ago, starting to grow closer to the house. It looks like the pollard structure is not very uniform, we may re-shape a few sections not exceeding pruning wounds of 75mm.					
Assessment Date	14/08/2026					
Officer comments	TPO 287-E (T38) 1no. Oak Oak tree is located at the end of the cup de sac in a very close proximity to the house. It provides a good level of public amenity and appears healthy overall. Currently, the tree is encroaching onto the roof and walls, pruning back to previous points ("repollard") would equate to 1-1.5m reduction and is considered justified. The works are unlikely to cause any detrimental effect onto the tree's long-term health and vitality.
