The Town and Country Planning (Tree Preservation) (England) Regulations 2012
The Town and Country Planning Act 1990

Application No. T/26/101757

In pursuance of their powers under the above Act and in accordance with your application received on Monday 13 July 2026 the Council, as Local Planning Authority hereby
Consent To Tree Works For the following :

Description: 1no. Sycamore (T1) - Remove 1 piece of epicormic growth on the main stem and remove growth to give a 2m clearance from the house.
1no. Sweet chestnut (T2) - Infected and dying with Honey fungus, reduce the main stem by 3-4m in height to circa the stub and stronger epicormic growth.
1no. Sycamore (T4) - Dead and Infected with sooty bark disease, sectional fell to ground level and remove all arisings from site.
Proposed works are to ensure good/safe clearance is maintained.

Site: 54 NICHOL ROAD, CHANDLER'S FORD, EASTLEIGH, SO53 5AW

Subject to due compliance with the following conditions:

- 1 CONSENT TO: 1no. Sycamore (T1) - Remove 1 piece of epicormic growth on the main stem and remove growth to give a 2m clearance from the house.
1no. Sweet chestnut (T2) - Reduce the main stem by 3-4m in height to circa the stub and stronger epicormic growth.
1no. Sycamore (T4) - Sectional fell to ground level.

- 2 The tree works hereby consented shall be completed within 2 years of the date of this permission and shall be carried out in accordance with the approved details and to British Standard for Tree Work BS3998:2010
- 3 Details of replacement tree planting (including quantity, species, position, size and a time frame for completion) must be submitted and approved prior to commencement of tree works. Tree planting must take place as soon as possible after the tree removal and no later than the start of the following planting season (October - April). The replacement tree shall be 1no. tree of the applicant's choice and be of a minimum of 10cm in girth. Planting must be in accordance with BS: 8545
Reason: To conserve the character of the locality.
- 4 For a period of no less than 10 years after planting, trees which are removed, die or become seriously damaged shall be replaced as soon as is reasonably practicable with others of the same species, size and number as originally approved.
Reason: To conserve the character of the locality.

Note to Applicant: It is considered that, subject to compliance with the conditions attached to this permission, the consented tree works are acceptable because they will not materially harm the character of the area, the amenity of neighbours or highway safety, and are in accordance with the policies and proposals of the development plan and after due regard to all other relevant material considerations the local planning authority is of the opinion that permission should be granted.

Note to Applicant: All works hereby consented should be carried out by a suitably qualified and insured tree surgeon. A copy of the decision notice should be given to the Tree Surgeon.

Note to Applicant: Deadwood may be removed at any time without an application.

Note to Applicant: Please be advised that the Wildlife and Countryside Act 1981 as amended, the Countryside and Rights of Way Act 2000 and the Conservation (Natural Habitats) Regulations 1994 protect ALL wild birds, their nests (whether in use or being built) and eggs and other wild animals including bats and their roosts in or adjacent to trees.

Note to Applicant: The granting of consent does not give the applicant or their agent a legal right to enter land without the owner's permission.

Note to Applicant: Advice regarding overhead utilities should be sought with the relevant service provider prior to commencing works.

Note to Applicant: Please follow current recommended Bio-security measures - Further advice can be found at <https://www.trees.org.uk/News-Blog/News/Biosecurity-in-Arbiculture-and-Urban-Forestry-Po>

Note to Applicant: Deadwood within trees provides a rich and important habitat; it can be a natural part of the trees life cycle. Consider retention of deadwood where it is safe to do so.

Yours faithfully
