

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/26/101721				
Surveyor	IF				
Address	15 DYRAM CLOSE, EASTLEIGH, SO50 4QG				
Proposed work	2no. Unspecified Species- Crown lift to 5m and extended limbs to be reduced by 1.5m. Cut back the overhanging branches, neaten it up and prevent any future damage as they overhang the roof, which contributed to moss growth and property damage. They overhang the road, pavement and neighbouring driveway.				
Assessment Date	18/08/2026				
Officer comments	TPO 322-E (G5) 7no. Alder No answer at the door, a group of multistemmed alder trees to the front of the property appear overall healthy and provide amenity as visible in the public realm. The closest one is encroaching onto the roof and the one closer to the road overhangs access to the driveway, branches are low. The proposed works are considered justified and will not significantly affect the trees' amenity of long-term health.
