Dear Sir/Madam,

Proposal: Erection of outbuilding for the use as an office with W/C.

Site address: 3 FIELDFARE CRESCENT, BOTLEY, SOUTHAMPTON, SO32 2TW

Thank you for your correspondence, please see our comments below regarding the above application

Rear/side extension , No Sewer mapped:

Due to legislative changes, certain Southern Water sewers are not comprehensively mapped. There are no public sewers recorded within the site boundary. However, the relevant requirements, conditions and application associated with the build-over/close-to a public sewer are available at Southern Water's Get Connected service: <https://developerservices.southernwater.co.uk>.

Please note, surface water should not be disposed of into a public foul sewer and must comply with the Hierarchy of H3 of the Building Regulations. For more details, refer to the Drainage and Waste Disposal: Approved Document H on the GOV.UK website.

Any new connections to the public sewerage system will require a New Sewer Connection application (also known as a Section 106) to be submitted and approved by Southern Water.

Insufficient Information provided:

Condition:

Construction of the development shall not commence until details of the proposed means of foul and surface water drainage disposal have been submitted to, and approved in writing by the Local Planning Authority in consultation with Southern Water.

It is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction works, an investigation of the sewer will
