For attention of Ms Hei-Tung-Hoh

Dear Sirs

Re: H/26/101561 At 15 WILDERN LANE, HEDGE END, SOUTHAMPTON, SO30 4EE

Extension of current vehicle access.

In regard to application H/26/101561, having reviewed the information contained within the application pack, there would be no objection to the proposed drop kerb extension from a highway perspective.

Whilst drop kerbs would not normally be permitted opposite a highway junction, it is noted that the vehicle access is already in place, and that the extension will simply facilitate an easier manoeuvre into the site which could be beneficial.

It would however be suggested that as part of the drop kerb works, the hard surfacing of an element of the existing grass verge would also be beneficial as this appears to be driven over to some extent at the present time, and will likely be driven over more once the widened access is implemented.

Applicants should also be made aware that subsequent to any planning permission that may be forthcoming from EBC as Local Planning Authority, a secondary application will need to be made to HCC as Local Highway Authority to undertake the works on the highway. Details of this process can be found via the following web address –

<https://www.hants.gov.uk/transport/parking/droppedkerbs>

Yours faithfully,

Matt Grantham
