

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/26/101841					
Surveyor	IF					
Address	82 HILTINGBURY ROAD, CHANDLER'S FORD, EASTLEIGH, SO53 5NZ					
Proposed work	1 No. Sweet Chestnut (T1) - Crown lift 3x lower branches by 3.5m to allow room underneath tree to stop the customer hitting their heads. 1 No. Beech (T2) - Crown lift lower branches by 5m and reduce branch back away from strawberry tree to give a 2m clearance, to allow ground clearance.					
Assessment Date	26/08/2026					
Officer comments	TPO 265-E (T4) 1no. Sweet chestnut, (T3) 1no. beech 2 mature trees in the rear garden, only partially visible from the main road due to their position and the large trees to the front screening them from view. The proposed works are very minor, branches are low above the ground (chestnut) and encroaching onto the other tree (beech). The works aren't likely to cause any change in the trees' amenity or negatively affect their long-term health and vitality.
