Dear Sir/Madam,

Proposal: Conversion of Integral Garage to Extend Existing Kitchen.

Site: 48 LONGMEAD AVENUE, BISHOPSTOKE, EASTLEIGH, SO50 6EL.

Thank you for your correspondence. Please see our comments below regarding the above planning consultation application.

Existing Southern Water Assets – General within boundary but no tree, buildings, assets within standoff distance (approximate)

Please see the attached extract from Southern Water records showing the approximate position of our existing sewer and water main assets crossing/in the vicinity of the development site. The exact position of the public assets must be determined on site by the applicant in consultation with Southern Water before the layout of the proposed development is finalised. To get in contact to confirm the exact position of the asset please visit;

https://www.southernwater.co.uk/media/ph4fk3pe/ds-location-of-rising-mains_pb.pdf.

For information on required stand-off distances from public sewers please refer to:

<https://www.southernwater.co.uk/media/st5orjvm/stand-off-distances.pdf>

S106 Connection application

Any new connections to the public sewerage system will require a Section 106 connection application to be submitted and approved by Southern Water Services.

To make an application visit Southern Water's Get Connected service:

<https://developerservices.southernwater.co.uk> and please read our New Connections Charging Arrangements documents which are available on our website via the following link:

<https://www.southernwater.co.uk/developing-building/connection-charging-arrangements>

Please note that, where there are separate systems available, Southern Water will not allow surface water to connect into the public foul sewer. If this is not possible, please provide evidence that all other options have been explored.

Due to legislative changes effective from 1st October 2011 regarding the ownership of sewers, it is possible that a sewer now deemed to be public could be crossing the development site. Therefore, should any sewer be found during construction work, an investigation of the sewer will be required to ascertain its ownership before any work commences on site. If this happens, please call our Customer Service Desk on 0330 303 0119

For further advice, please contact Southern Water, Southern House, Yeoman Road, Worthing, West Sussex, BN13 3NX (Tel: 0330 303 0119).

Website: southernwater.co.uk or by email at: SouthernWaterPlanning@southernwater.co.uk

Yours faithfully,
