

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/26/101848				
Surveyor	IF				
Address	1, Hocombe Mead Local Nature Reserve, South of Ashdown road, Chandlers Ford, Eastleigh, SO53 5QG				
Proposed work	As highlighted in the attached documents. The works are traditional coppicing at Hocombe Mead Local Nature Reserve. The works are prescribed in the 2016-2025 management plan (signed off by Natural England) and form part of the numerous conservation activities carried out on site to maintain and enhance the area for wildlife. Coppicing works have previously been consented as shown in the attached consent form T/16/79061				
Assessment Date	14.09.2026				
Officer comments	TPO 58-H (W2) woodland The proposed coppicing regime in Hocombe Mead is considered a justified and reasonable management of the trees in the woodland. The works are undertaken by the rangers' team and will be carried out to the required standard. The rolling planning consent to the coppicing regime is given for the next 10 years from 2026 to 2036.
