Application Number	T/26/101866				
Surveyor	IF				
Address	15 HEATHFIELD ROAD, CHANDLER'S FORD, EASTLEIGH, SO53 5RP				
Proposed work	1 No. Rowan (Rowan tree) - Cut the tree at a height of 1.5 meters off the ground, The tree appears dead above this point and the main trunk is largely hollow. There a two branches close to the ground which appear to be in reasonable health, and I would like to retain for now.				
Assessment Date	15.09.2026				
Officer comments	TPO 242-E (2no. Rowan) The main leader of the tree is dead with a large cavity on the side, however the owner would like to keep a couple of smaller side stems that are of good vitality and reduce the dead stem to a safe height, retain it as a nature feature. The works are justified and no replacement will be required.
