**The Town and Country Planning (Tree Preservation) (England) Regulations 2012
The Town and Country Planning Act 1990**

Application No. T/26/101813

In pursuance of their powers under the above Act and in accordance with your application received on Thursday 23 July 2026 the Council, as Local Planning Authority hereby
Consents To Tree Works For the following :

Description:	1 No. Oak - Reduce crown by approx. 2m. Pruning back to suitable growth points, retaining the trees natural shape and form. Reduction will be carried out evenly throughout crown to maintain a balanced canopy. Reduce the overall size and spread of tree while maintaining structural integrity, health and amenity value. To allow increased levels of natural light to reach the garden and patio area. Tree is situated within falling distance of property.
Site:	21A CROWS NEST LANE, BOTLEY, SOUTHAMPTON, SO32 2DD

Subject to due compliance with the following conditions:

- 1 CONSENT TO: 1no. Oak - Reduce crown by approx. 2m.
- 2 The tree works hereby consented shall be completed within 2 years of the date of this permission and shall be carried out in accordance with the approved details and to British Standard for Tree Work BS3998:2010

Note to Applicant: It is considered that, subject to compliance with the conditions attached to this permission, the consented tree works are acceptable

because they will not materially harm the character of the area, the amenity of neighbours or highway safety, and are in accordance with the policies and proposals of the development plan and after due regard to all other relevant material considerations the local planning authority is of the opinion that permission should be granted.

Note to applicant: All works hereby consented should be carried out by a suitably qualified and insured tree surgeon. A copy of the decision notice should be given to the Tree Surgeon.

Note to applicant: Deadwood may be removed at any time without an application.

Note to applicant: Please be advised that the Wildlife and Countryside Act 1981 as amended, the Countryside and Rights of Way Act 2000 and the Conservation (Natural Habitats) Regulations 1994 protect ALL wild birds, their nests (whether in use or being built) and eggs and other wild animals including bats and their roosts in or adjacent to trees.

Note to applicant: The granting of consent does not give the applicant or their agent a legal right to enter land without the owner's permission.

Note to applicant: Advice regarding overhead utilities should be sought with the relevant service provider prior to commencing works.

Note to applicant: Please follow current recommended Bio-security measures - Further advice can be found at <https://www.trees.org.uk/News-Blog/News/Biosecurity-in-Arbiculture-and-Urban-Forestry-Po>

Note to applicant: Deadwood within trees provides a rich and important habitat; it can be a natural part of the trees life cycle. Consider retention of deadwood where it is safe to do so.

Yours faithfully
