This drawing is the property of BE Utility Solutions Ltd. It must not be reproduced, copied nor its contents divulged without permission.
This drawing is to be read in conjunction with all other engineering drawings, if in doubt - ask, do not scale. The accuracy of information provided on this drawing is believed to be correct at the time of issue but cannot be guaranteed, therefore no liability of any kind is accepted by the company or its agents. The contractor is advised to undertake their own investigation where the presence of existing utilities apparatus may affect their work.
All work to be carried out in accordance with the relevant British Standards, codes of practice and building practice.
