

EXISTING PRINCIPAL ELEVATION

Every reference is placed beside the corresponding opening

Existing fabric

The five principal openings contain later aluminium/uPVC sliding-sash style inserts. The timber outer surrounds and concrete cills survive and are retained.

The remaining openings contain later uPVC casements of mixed proportions and detailing.

Window references correspond with the proposed schedule. Existing opening dimensions govern; supplier sizes remain subject to final site survey.

LISTED BUILDING CONSENT

UPCOTT HOUSE, STATION HILL, BURSLEDON, SOUTHAMPTON SO31 8PQ

Statutory list entry: Upcott, Station Road | Grade II | NHLE 1203865
