For attention of Ms Altman

Dear Sirs

**Re: A/26/102164 At IMPERIAL HOUSE, GRANGE DRIVE, HEDGE END,
SOUTHAMPTON, SO30 2AF**

Installation of internally illuminated fascia sign to front (east) elevation.

In regard to application A/26/102164, having reviewed the information contained within the application pack, there would be **no objection** to the proposals from a highway perspective.

The proposed signage is flat to the front of the building, and as such does not impact the site in terms of movement or visibility. Onwards, the proposed luminance levels are quoted as being 300 cd/sqm, and as such are well within maximum permitted levels.

Yours faithfully,

Matt Grantham
