Subject: Archaeology Response: Consultation Request Planning Application South House, School Lane, Hamble-Le-Rice H/26/101909

Dear Charlie

Application No: H/26/101909

Address: H-26-101909 South House, School Lane, Hamble-Le-Rice, Southampton, SO31 4JD

Thank you for consulting Surrey County Council's Historic Environment Planning Advice Service regarding the above planning application. Please note that my response relates solely to the buried archaeological heritage and not to the historic built environment, which is a matter for your Conservation Officer.

The former County Archaeologist for Hampshire County Council previously responded to this planning application and found that there were no archaeological concerns (copy attached). No new details have been submitted which materially change the impact of the proposals on the potential archaeology, and as such the past advice remains valid and there are **no archaeological concerns**.

I trust this is satisfactory, but if you have any concerns or queries, please don't hesitate to contact me.

Kind regards

Nowal Chalmers

Senior Archaeologist
