**The Town and Country Planning (Tree Preservation) (England) Regulations 2012
The Town and Country Planning Act 1990**

Application No. T/26/101900

In pursuance of their powers under the above Act and in accordance with your application received on Friday 7 August 2026 the Council, as Local Planning Authority hereby **Refuse Tree Consent For** the following :

Description:	1no. Oak (T1, originating from no. 24 Thornbury Wood, SO53 5DQ) - Reduce lateral limbs extending over garden and towards property by approx. 2.5m to even up the tree and provide a natural and balanced shape. Majority of branches are to the Southeast side of tree. Pruning will be carried out back to natural growth points to improve light levels within garden and minimise overhang towards house, while preserving the tree's overall form and health.
Site:	237 WINCHESTER ROAD, CHANDLER'S FORD, EASTLEIGH, SO53 2DX

For the following reasons:

- 1 REFUSE: 1no. Oak (T1, originating from no. 24 Thornbury Wood, SO53 5DQ) - Reduce lateral limbs extending over garden and towards property by approx. 2.5m.
- 2 Reason: The proposed reduction of lateral limbs extending over garden and towards the property by approx. 2.5m on 1no. Oak (T1) is considered unjustified and will be of detriment to the health and appearance of the tree. The works would thus result in an adverse impact upon the visual amenity, ecology and

wildlife and screening of the surrounding area. More details are available in the Officer Report.

Yours faithfully
