

I, Nicholas Chapell, of Buena Vista, The Lakes, Swanmore Hants SO32 2PR will say as follows:

1. I was born in the village of Titchfield and through my father I knew the Ireland family who had a base in the village.
2. I understood the family were of nomadic descent.
3. I know Aaron regularly goes of to fairs selling and buying from fellow travellers.
4. Aaron bought a piece of land at Winchester Road, Fair Oak.
5. He told me that there were piles of road planings could he borrow or hire one of my excavators.
6. I agreed and took a machine over to the site and operated it myself.
7. From memory I believe this was in May 2022.
8. I noted that there was an existing track running through the site which we repaired and upgraded. I also remember that we made the track wider for him to operate his scrap and storage business.
9. To our surprise most of this extra land already had a sub base which made the job easier.
10. In the grass especially near the hedge that runs along the road, there were several items which looked as if they had been kept there for many years.
11. There were such things as bricks, heras fencing, various engines, timber all off which were grown in.

And I make this solemn declaration conscientiously believing the same to be true and by virtue of the provisions of the Statutory Declarations Act 1835.

Signed.....
