Dear Mr Osmond,

Planning Application Consultation Request DC/23/96582 Treetops Allington Lane discharge of condition 30

Thank you for your consultation regarding the discharge of the archaeological condition, condition 30. I would draw your attention to the archaeological evaluation report submitted, which I would endorse to you. In light of the results of the evaluation I recommend that no further archaeological work is merited and I would not raise any objection to the discharge of the archaeological conditions.

Yours sincerely
