

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/23/96593				
Surveyor	Charlotte Holloway				
Address	6 BISHOPS COURT, BISHOPSTOKE, EASTLEIGH, SO50 6PE				
Proposed work	1no. Group of Sycamores (G1) - Reduce to previous pollard points.				
Assessment Date	19/01/24				
Officer comments	The trees form a tree line to the northeast of the property. They are adjacent the public highway and have good levels of public amenity. The trees are in close proximity to structures and have previously been pollarded. The request to repollard back to previous points is reasonable for the management of these trees within their location. The initial impact on amenity value should be temporary. It is noted that permission for this has already been granted under application T/23/95795.
