Description of Proposed Works

Please describe the proposed works

We propose to raise the roof of the Cattery by 20cm and the raise the eaves by the same amount to comply with the minimum internal height requirement. We intend to use this opportunity to replace the old corrugated plastic roof with Kingspan QuadCore KS1000RW 80mm insulated roof panels. At the same time we intend to resize the internal cat pens to comply with Defra’s requirements 2018.

Has the work already been started without consent?

- ☒ Yes
- ☐ No

If Yes, please state when the development or work was started (date must be pre-application submission)

Biodiversity net gain

Householder developments are currently exempt from biodiversity net gain requirements.

However, this exemption still needs to be confirmed by the applicant or agent when making a householder planning permission application.

☒ I/we confirm that the proposed development, if granted permission, would be exempt from the general biodiversity gain condition.

Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 (as amended) sets out that every planning permission granted for the development of land in England shall be deemed to have been granted subject to the 'general biodiversity gain condition'.

However, the 'general biodiversity gain condition' does not apply in relation to planning permission for a development which is the subject of a householder application, within the meaning of Article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended).

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?
