Hi Summer

Please see below Urban Design comments:

*The clarifications presented by the applicant (dated: 20/12/2022) have overcome the concerns raised on my previous consultation (dated: 21/10/2022) and I have no further objections.
Materials detail, including samples, can be conditioned provided that these follow the details set out in the Design and Access Statement and subject to case officer agreement.*

I hope these comments are of help.

Kind regards
Marta
