

STATUTORY DECLARATION

I, Ross Llewellyn Sayers, of West View, The Bridleway, Marls Road, Botley, SO30 2EY, do solemnly and sincerely declare that:

1. I have lived within the vicinity of the site at The Bridleway, Brook Lane, Beech Ridge, Botley, SO30 2ER ("the Site") as set out on the attached Site plan since November 2018.
2. I am aware of the Site as my wife and I have walked our dogs at least 3 times every week for the last 12 years along the adjacent track to Botley. My family has always lived in Hedge End and Botley.
3. I am aware that, since we have both lived at West View and walked our dogs in the area over the last 12 years, Sam Skinner, and his father before him, used the Site for the storage of all sorts of building materials beneath the trees on the Site.
4. I have witnessed many different types of vehicles, many times each week, both delivering building materials such as roof tiles, aggregates, sand, bricks, and rubble to the site, and also picking up these building materials.
5. The delivery vehicles previously used an access to the side of the Site, which is shown in blue on the Site plan attached and subsequently the front access, which is indicated in green on the attached Site Plan.
6. The removal of the trees at the Site has enabled vehicles to manoeuvre more easily onto and off the Site, which has greatly reduced any impact to neighbouring residents.
7. Prior to the removal of the trees at the Site, I witnessed some very skilled manoeuvring of some quite large vehicles, however this has greatly improved since the removal of the trees.
8. The vehicles have always used the bottom end of the track at the Botley end and do not pass our house at all, however, both SDS Roofing Limited and those using the site have never been a problem to us. They have always been a very quiet and courteous neighbour.

And I/We make this solemn declaration conscientiously believing the same to be true and by virtue of the Statutory Declarations Act 1835.

DECLARED AT BOTLEY, SOUTHAMPTON
IN THE COUNTY OF HAMPSHIRE
