## Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

### Description

Please describe details of the proposed development or works including any change of use

Request permission to install a 12m Pontoon between Mooring Piles V18 and 19 on River Hamble between Lands End Road and Swanwick Marina

The proposed pontoon is 12 metres long x 2.0 metres wide and would be located between V18 and 19 piles which are 18 metres apart. These piles cannot be accessed by land. The proposed pontoon is constructed primarily of pressure treated wood with galvanised steel brackets. The eight floats are made from polyethylene and are filled with foam. The pontoon's surface sits approx 0.5 metres above the water, 12 metres x 2.0 metres is within the recommended size range for piles 16 meters apart.
