Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The current use of the land as a Dwellinghouse, C3(a) class, has been the only use associated with the land since the original sale by the council in the 1920s.

No previous extension to the property, or change of use, has occurred since the dwelling was constructed.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
