Land adjoining Pinewood Park Southampton, SO19 6AL

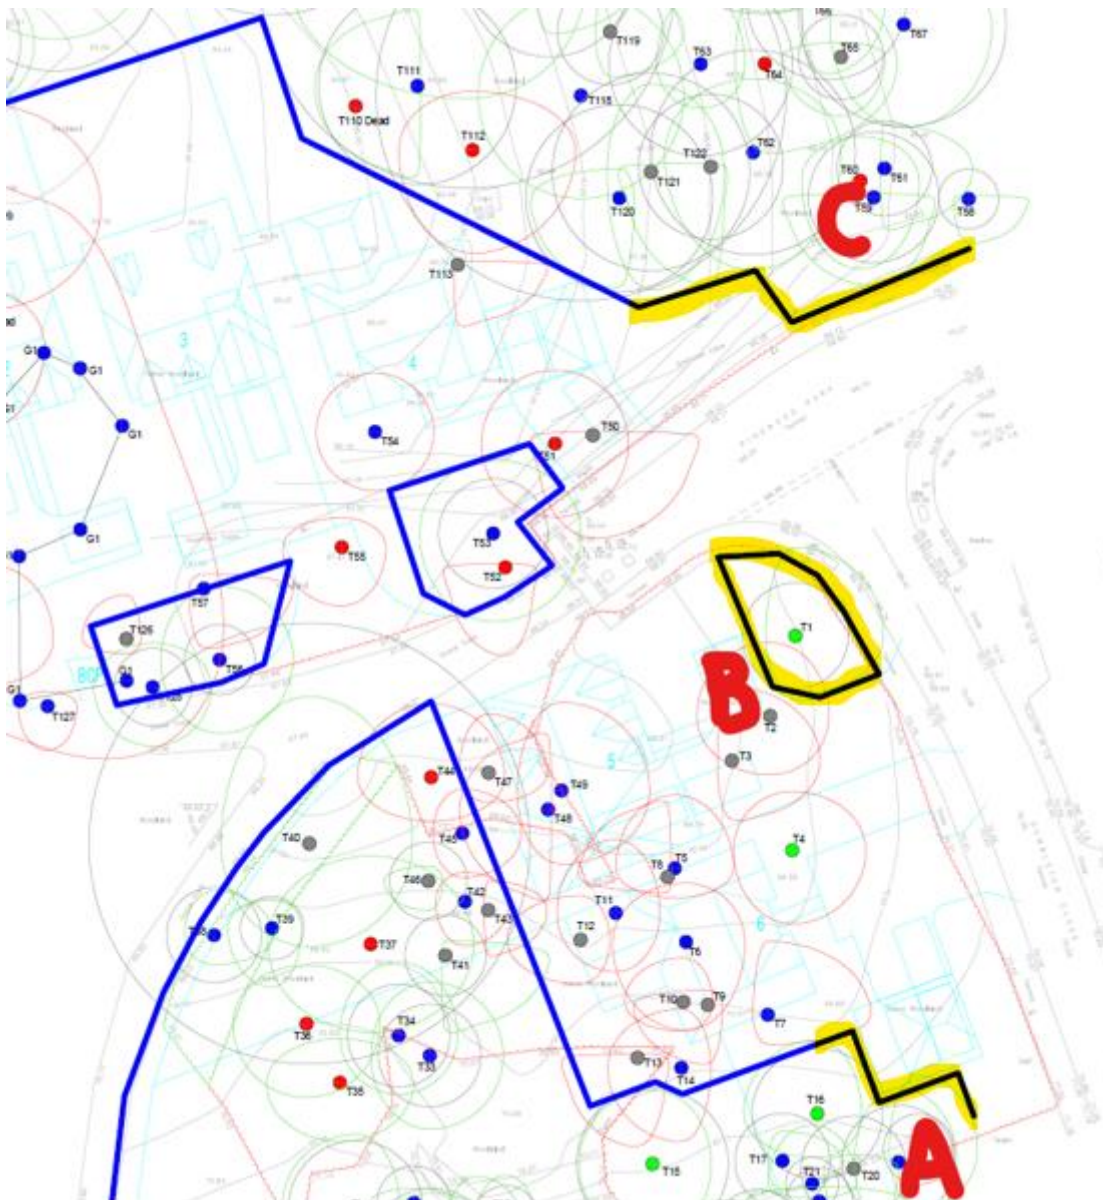

PARTIAL DISCHARGE OF CONDITION No.7: ERECTION OF TREE-FENCING

29th, February 2024

A partial fencing of retained trees has been carried out – as previously agreed on 18.01.2024, along the areas highlighted below– and has been done to accord with the already approved Tree Protection Plan (TPP).

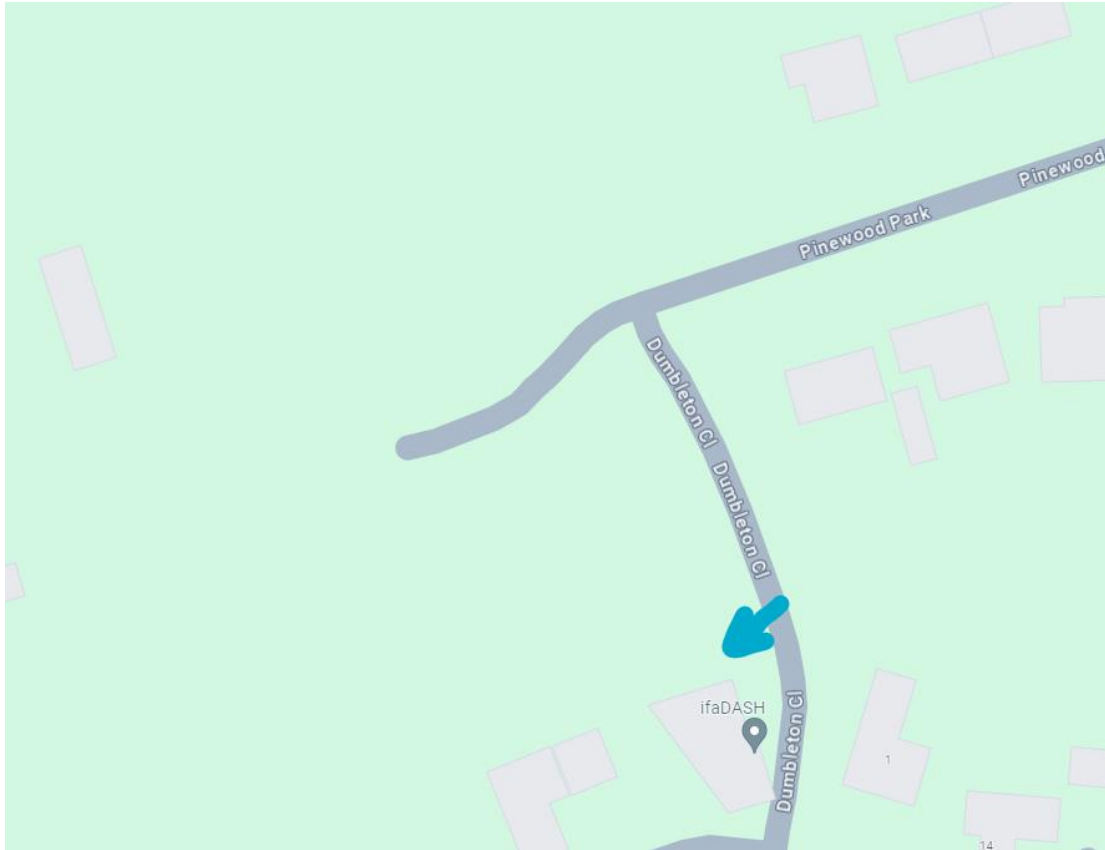

The fencing is in 3 sections (labelled **A**, **B** and **C** for ease), and relate to the already-agreed partial-implementation that we are soon looking to undertake.

All fencing has been inspected, and appropriate notices affixed, and can best be summarised thus:

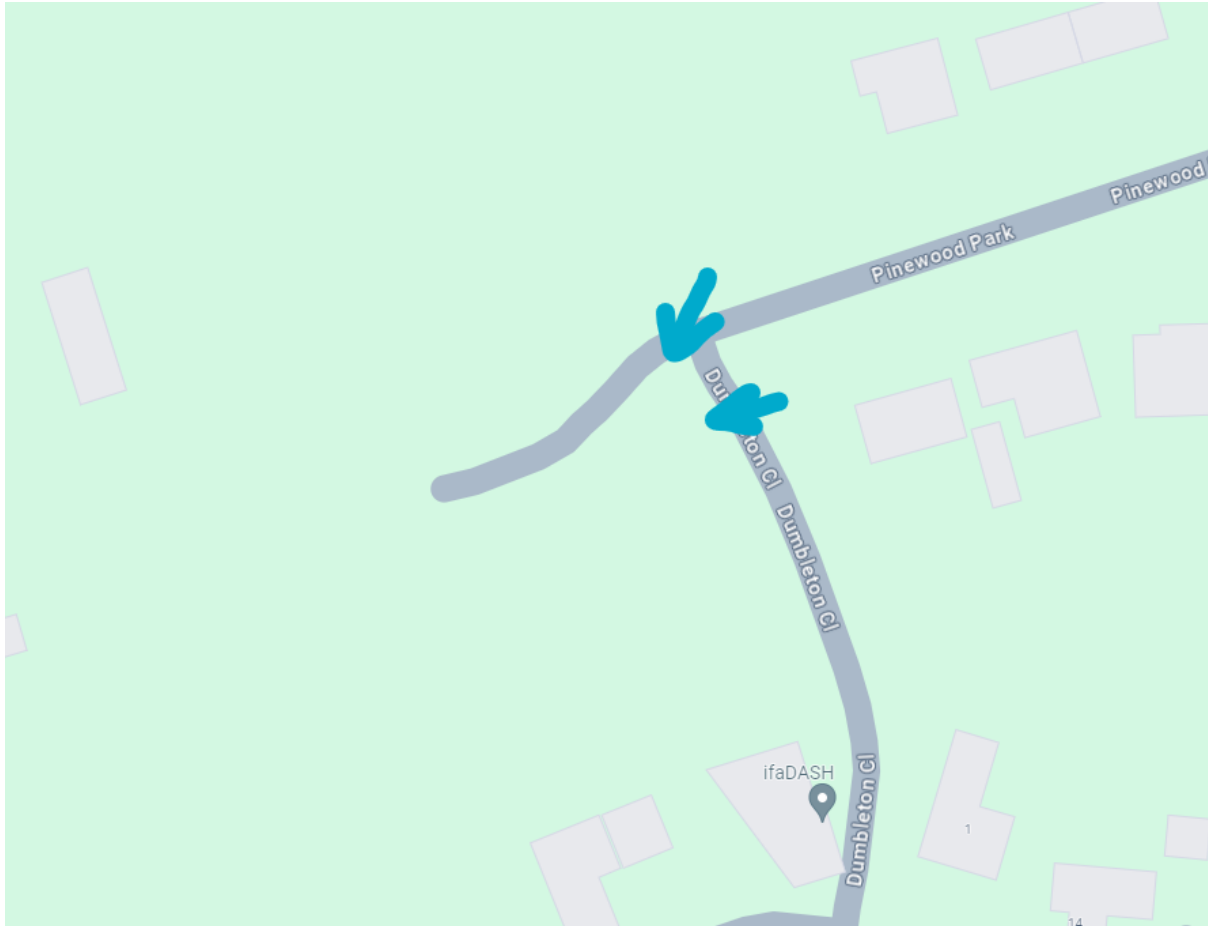

Area A:

The 2No. images that follow were taken from Dumbleton Close – stood in the road – and looking to the south-west:

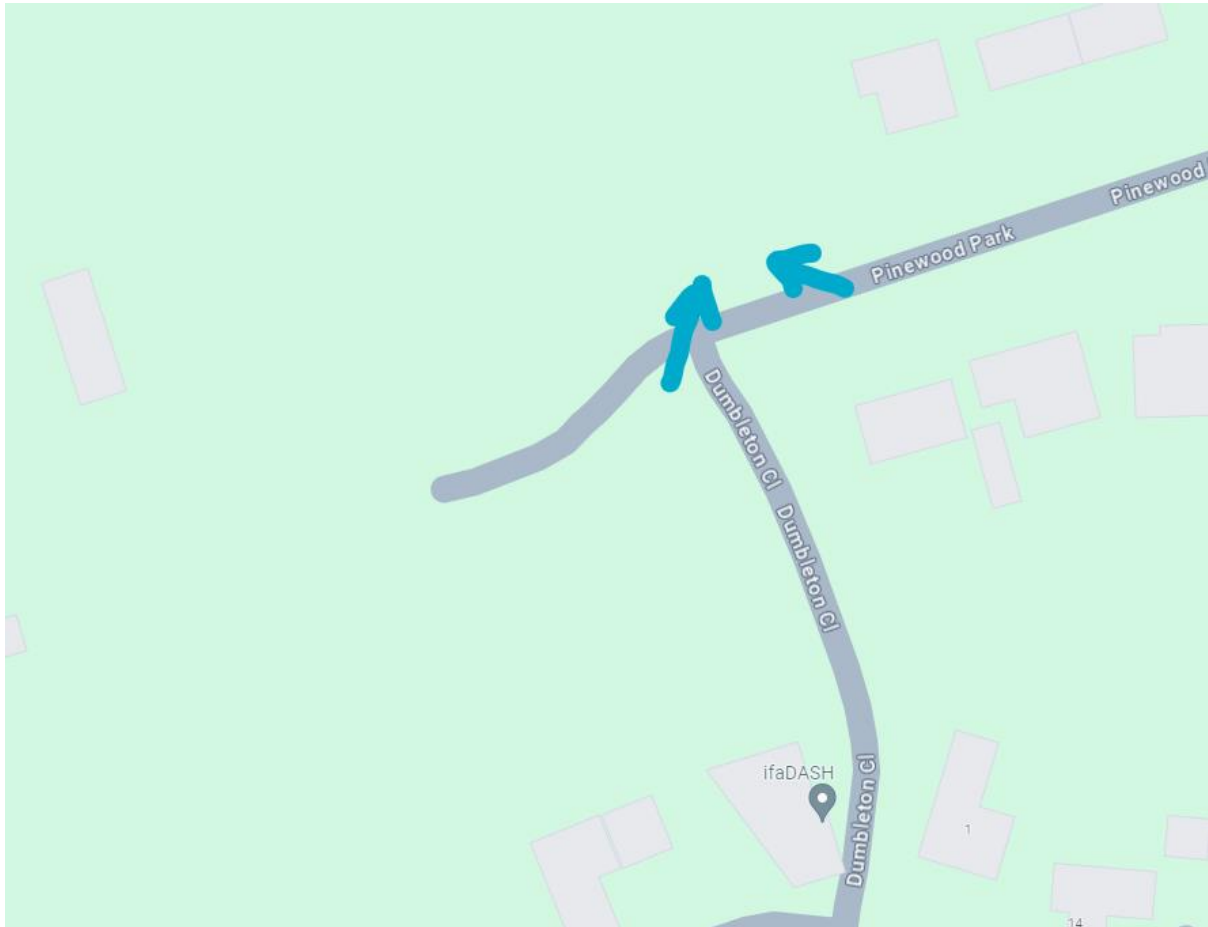

Area B:

These images were taken from the junction of Dumbleton Close, and Pinewood Park, looking in a west/south-westerly direction:

Area C:

These images were taken from Pinewood Park, looking northwards:

As such, we trust that these details will allow for the partial approval of condition No.7, thereby allowing for the partial implementation to be commenced.

Mrs. J. Carrington

29th, February 2024

Appendix: copy of the tree notice affixed to each area.
