

Eastleigh Borough Council Tree Preservation Order and Conservation Area Assessment Form

Application Number	T/24/96809					
Surveyor	SK					
Address	116 PARK ROAD, CHANDLER'S FORD, EASTLEIGH, SO53 1HY					
Proposed work	2no. Lawson Cypress (T1 & T2) - Remove, impacting service lines and lifting neighbours' drive.					
Assessment Date	28/02/24					
Officer comments	Trees part of a longer row of 5-6 to the front of the property. T1 & T2 are at the southern end of the row, just hooked round the end of the plot. They are causing disruption to the neighbours paved driveway, uplift visible across 2/3rds of drive width. This could be resolved with relaying the drive if the trees were significant. A telegraph pole is on the corner by the two trees- no reports of problems with this. The trees were almost certainly planted as an evergreen hedge that has been allowed to grow out. If removed, a replant could be specified further away from the drive, though there is birch within the property that might be visually pleasing if more visible.					
Decision	Consent	Refuse	Part consent/ Part refuse	Withdrawn / Invalid	Conservation Area
