Dear Mrs Errington,

Construction of road between Allington Lane and Burnetts Lane with associated footway, cycle paths, water crossings, drainage and landscaping., L..., Eastleigh, SO30 2HH

Discharge of Condition 3 (second part) - Long term maintenance of surface water drainage system of Planning Permission F/21/91185 for Construction of road between Allington Lane and Burnetts Lane with associated footway, cycle paths, water crossings, drainage and landscaping.

In regard to application DC/23/96279, specifically the discharge of Condition 3 which covers the long term maintenance strategy for the drainage system, purely from a highway perspective there would be no objection to the discharge of condition.

However, it should be noted that other HCC Consultees will respond separately.

Yours sincerely,

Matt Grantham
