Application Number	T/24/96707					
Surveyor	SK					
Address	8 PURKESS CLOSE, CHANDLER'S FORD, EASTLEIGH, SO53 2ED					
Proposed work	1no. Oak (T1) - Crown reduction of approx 1.5 - 2m to bring tree into a better shape, cuts kept to 60mm and less. The tree is showing signs of decline and holding a fair bit of dead wood as well as growing on the bank of a stream which has proven to be quite unstable with a neighbouring tree slipping out of the bank.					
Assessment Date	05/03/24					
Officer comments	Site visited . Tree visible to rear of property, exhibiting a notable degree of dieback through the canopy. Does not appear to have bene reduced in recent years.
