Dear Sir or Madam,

Re: Barncroft, Farm Close, Hamble-Le-Rice, Hampshire, SO31 4RZ

Application to Discharge Pre-Occupation Conditions 6 (Predicted Mains Water Consumption) & 7 (Nutrient Mitigation Package) of Planning Permission F/23/94930

Please find submitted with this application to discharge conditions 6 & 7 of planning permission F/23/94930 both the predicted water usage calculations for the development (which indicate that each person would use 103.3 of mains water each day) and Vesting Certificate 0135 issued by Eastleigh Borough Council (for the purchase of the required 'Nitrate Credits').

I would be grateful if you could confirm that conditions 6 & 7 of F/23/94930 have been discharged in due course.

Yours faithfully,
