Dear Ms Morris,

**THE WIDE LANE PAVILION, UNIVERSITY OF SOUTHAMPTON SPORTS GROUND,
WIDE LANE, EASTLEIGH, SO50 5PE**

Erection of floodlighting and associated development

In regard to application F/24/96865, having reviewed the information contained within the application pack, whilst there would be no objection in principle to the application, additional information is required before a no objection can be formally issued.

Whilst the proposed floodlights are adjacent to existing floodlighting on the University Sports Fields, they do come closer to the highway (Stoneham Lane) and as such could cause a distraction due to the bright light.

As such, it would be requested that additional information is provided which clearly shows how the angle of lighting will be downwards onto the associated pitches, and this should be further supported by a plan which clearly shows the extent of any light spill into the surrounding areas, and how this will not have an impact on the highway.

Yours sincerely,

Matt Grantham
