4 Bottom Sections
2 Cross Bars
4 Sockets
4 Pennants
All Bolts & Fixings

1 Set = 2 Goals & 4 Sockets

FAQs

This site uses cookies to provide you with website services and ensure that you get the best online experience.

Q: What should I do with my rugby posts when high winds are forecast?

A: All of our rugby posts are structurally tested to withstand up to 60mph winds. It is recommended that the rugby posts are taken down if winds exceed 60mph and stored in a secure place.

We'd love to hear your feedback - please [click here](#) to leave a review.
