Dear Rebecca

EBC Reference F/24/96961: Installation of a 12m x 2m pontoon between mooring piles (V18 and 19) on the River Hamble

Thank you for consulting the River Hamble Harbour Authority (RHHA) on the above planning application.

The applicant has been in discussion with RHHA regarding this proposal and is aware that they must also apply separately for RHHA permission, as well as to The Crown Estate and the Marine Management Organisation.

The Harbour Master has no navigational safety or environmental impact concerns regarding this planning application. There are similar pontoons in place at adjacent moorings. Matters relating to the safe installation of the pontoon will be conditioned in any permission granted by RHHA. All such pontoons must have a gap of between 1.5 metres and 3 metres between each pile and the end of the pontoon. The proposed pontoon of 12 metres long by 2 metres wide fits within the dimensions required for this mooring. These points will also be conditioned in any permission granted by RHHA.

Please don't hesitate to contact me if you have any questions.

Regards

Alison

Application No: F/24/96961

Address: LANDS END HOUSE, LANDS END ROAD, BURSLEDON, SOUTHAMPTON, SO31 8DN

Description: Installation of a 12m x 2m pontoon between mooring piles (V18 and 19) on the River Hamble.

Would you please let me have your observations on the above application.

You can access the plans and documents via our portal [F/24/96961](#)

In order to meet the Government's challenging targets for our speed of determining applications, we require any comments you wish to make within 21 days from the date of this memo. Failure to meet this time period will usually result in an application being determined without your comments being considered.

Please reply to the planning officer on the below email address.
