YOUR COMMENTS ON THE CASE

I may only be 18 years old , but I have lived in fair oak my entire life and over the past few years fair oak has gone from a pleasant , quiet village to a bustling, built up town , I regularly walk my dog up Knowle park and purposely make a detour up to cockpit barn because nine times out of ten I will find deer happily grazing on the land . It's not just one lone deer every now and then , it's multiple deer ,mothers and her young, grazing on the daily on that land . So my first point is that the wildlife and human residents of fair oak have lost enough open , green spaces to be able to live happily and free . My second point is the fact that knowle lane is not suitable for more housing to be put upon it , from the road being barley wide enough for two way flowing traffic , which you will be increasing if you allow this to go ahead , to the fact that there is no footpath , I believe you are asking for an accident waiting that be a car crash or a pedestrian being struck by a vehicle . I will end this with a plea to you please do not allow this building to go ahead , we have the Horton heath housing popping up we do not want to loose anymore than we already have . I hope you take my words into consideration .

Yours sincerely,

Erin Huggins-Clune
