Discharge of Conditions

Please provide a full description and/or list of the materials/details that are being submitted for approval

This application seeks permission of the discharge of Condition 15 for all phases of the development named 'Land to the north and east of Winchester Street Botley'. All required archaeological work within the Botley Fields development site relating to O/18/83698 has been completed, with no identified areas for further investigation and therefore no objection to the discharge of Condition 15 of application is expected.

Condition 15 states that 'No development shall take place in each phase until the developer has secured the implementation of a programme of archaeological work in accordance with a written scheme of investigation and recording for that phase which has first been submitted to and approved in writing by the Local Planning Authority. Reason: To ensure that the archaeological interest of the site is properly safeguarded and recorded.'
