Hi Rachael,

F/24/96739 - CLUB HOUSE, VT SPORTS GROUND, PORTSMOUTH ROAD, BURSLEDON

We have no arboricultural objection to the proposals, subject to the following condition:

No excavation, demolition or development related works shall take place on site until a scaled and referenced tree protection plan, as per British Standard 5837:2012 (Trees in Relation to Design, Demolition and Construction – Recommendations), is submitted and approved by the LPA. The approved tree protection plan must be adhered to in full, and may only be modified subject to written agreement from the LPA. Reason: to retain and protect the existing trees which form an important part of the amenity of the locality.

Please note that the above Tree protection Plan must also show the location of the soakaway and other drainage.

Kind regards,

Chris.
